Certifications and Logos

Carbon Neutral

Carbon Neutral certified under the Climate Active, Carbon Neutral standard which is administered by the Australian Government.

Carbon Neutral certification requires all cradle to grave emissions to be measured and reduced where possible. Remaining emissions are offset, independently audited and publicly reported.

All offsets are Australian Government approved

PEFC

Programme for the Endorsement of Forest Certification (PEFC) is a certification that assures buyers that the wood and paper products they are purchasing comes from forests that comply with in-country sustainable forestry standards approved by an international body

Supply Nation

Supply Nation is proud to be the first and pre-eminent supplier diversity organisation in Australia. Since 2009, Supply Nation has worked with Indigenous businesses and procurement teams from government and corporate Australia to help shape today's emerging and rapidly evolving Indigenous business sector.

ISO 14001

An independent audit that meets the environmental management systems standard set by the International Organization for Standardization (ISO).

Made in Australia

Made in Australia by Australian Papers Maryvale Mill in Victoria.
