Mandura 100% Recycled Carbon Neutral Copy Paper.

Working together for future generations. Mandura translates as 'trading place' in the Jaithmathang Nation language. By choosing to purchase Mandura, you are choosing to support a First Nations business donating 20% of all profits to the Pauline E. McLeod Foundation. Dedicated to creating opportunities for the next generation, the Foundation's focus areas include First Nations mental health, entrepreneurship and education as well as employment opportunities for First Nations Australians. Mandura 100% Recycled Copy Paper is made from high quality PEFC™ Recycled certified post-consumer waste.

Certification and Logos.

PEFC™ Recycled

PEFC™, the Programme for the Endorsement of Forest Certification, is a leading global alliance of national forest certification systems. PEFC™ is dedicated to promoting sustainable forest management through independent third-party certification. Winc is proud to be a PEFC™ promotional license holder.

PEFC™ Recycled means 100% PEFC™ certified material from recycled sources and wood from controlled sources.

ISO 14001

An independent audit that meets the environmental management systems standard set by the International Organization for Standardization (ISO).

Carbon Neutral

Products that display the Carbon Neutral Product logo have undertaken an analysis of all climate impacts that occur from the creation of the product. All greenhouse gas emissions from the extraction of the product's raw materials to the delivery of the product to the point of sale have been measured and offset with verified and real carbon offsets.

Supply Nation

Supply Nation is proud to be the first and pre-eminent supplier diversity organisation in Australia. Since 2009, Supply Nation has worked with Indigenous businesses and procurement teams from government and corporate Australia to help shape today's emerging and rapidly evolving Indigenous business sector.
