Certifications and Logos

PEFC

Programme for the Endorsement of Forest Certification (PEFC) is a certification that assures buyers that the wood and paper products they are purchasing comes from forests that comply with in-country sustainable forestry standards approved by an international body.

Carbon Neutral

The Carbon Neutral Product (CNP) trademark gives you confidence in the carbon neutrality of this product and that you are adding no further Greenhouse Gas Emissions (GHG) to our atmosphere. A comprehensive Life Cycle Analysis (LCA) is performed under ISO14044 capturing all Greenhouse Gas Emissions (GHG) from 'Cradle to Grave'. Verified Carbon Offsets are purchased to negate the climate change impact of this product. For full details of the NoCO2 program and CNP trademark visit noco2.com.au

Supply Nation

Supply Nation is proud to be the first and pre-eminent supplier diversity organisation in Australia. Since 2009, Supply Nation has worked with Indigenous businesses and procurement teams from government and corporate Australia to help shape today's emerging and rapidly evolving Indigenous business sector.

ISO 14001

An independent audit that meets the environmental management systems standard set by the International Organization for Standardization (ISO).
