Certifications and Logos

PEFC (75, 80 GSM)

Programme for the Endorsement of Forest Certification (PEFC) is a certification that assures buyers that the wood and paper products they are purchasing comes from forests that comply with in-country sustainable forestry standards approved by an international body.

FSC (110, 160, 200 GSM)

This product has been certified FSC® Mix which means it has been manufactured with a combination of FSC-certified virgin fibre (from FSC-certified forests), controlled sources and/or reclaimed wood or fibre.

Our range of ten mixed packs allows you to have all the colours of the rainbow at your fingertips. The table below indicates which colours are included in each pack. Larger packs also come in sturdy resealable packaging for easy storage.
