

## My Finder Card

A little reminder? Use My Finder!

Lost wallets, travel documents and everyday essentials are a thing of the past with Verbatim's My Finder Card Bluetooth tracker.

This credit-card sized tracker utilises the Apple Find My ecosystem so you can easily track your item's location. With an ultra-slim design, it is ideal to slip into your wallet, suitcase bag-tag or passport folder to ensure you always know where these irreplaceable items are located.

This credit-card sized tracker utilises the Apple Find My ecosystem so you can easily track your item's location. If you are in close range, select "Play Sound" in the app and follow the beep to find your lost item. Alternatively, select your missing item in the app and locate it on a map. The whole process is anonymous and encrypted to protect your privacy.

The My Finder Card has no need for batteries to be changed or special cables. The internal rechargeable battery lasts up to 60 days on a single charge, so you don't need to worry about charging it every week. Once it does need charging, it is easily done via a wireless charger. With IP66 protection the My Finder is water-resistant and dustproof for durability.

Never lose your wallet, backpack or luggage again!
