

HP Unwrapped Carbon Neutral Copy Paper

HP Unwrapped Copy Paper consists of 2,500 sheets of high-quality copy paper, boxed in a re-usable, moisture-controlled carton that offers the following features:

- Manufactured to HP standards
- Less packaging, leaving your clients with a completely recyclable carton and product inside

HP Unwrapped has added ColorLok® Technology which increases print contrast for bright, vibrant colours and bold, sharp text. The ideal “all-around-the-office” paper.

HP Unwrapped is produced from Elemental Chlorine Free (ECF) pulp, and along with being Carbon Neutral and FSC® certified, assures a high level of sustainability.

This product has been certified FSC® Mix which means it has been manufactured with a combination of FSC® certified virgin fibre (from FSC®-certified forests), controlled sources and/or reclaimed wood or fibre.

Certification and Logos.

FSC®

The Forest Stewardship Council® is an international non-governmental organisation that promotes environmentally responsible, socially beneficial, and economically viable management of the world's forests. Supported by a range of social and environmental bodies, FSC® is the world's most trusted sustainable forestry solution. Winc is proud to be an FSC® promotional license holder.

ISO 14001

An independent audit that meets the environmental management systems standard set by the International Organization for Standardization (ISO).

Carbon Neutral

Products that display the Carbon Neutral Product logo have undertaken an analysis of all climate change impacts that occur from the creation of the product. All greenhouse gas emissions caused by the lifecycle of this product, from the extraction of raw materials right through to disposal, have been measured and fully offset by genuine and additional carbon credits.

ColorLok®

ColorLok® Technology increases print contrast for bright, vibrant colours and bold, sharp text. ColorLok papers have been developed to meet high performance standards in all types of office equipment including laser and inkjet printers, as well as copiers.
