

# Winc® Ultra White Carbon Neutral Copy Paper.

Winc Ultra White is a premium copy paper that makes your prints stand out. With added whiteness and thickness, Ultra White delivers sharp, crisp colour and black and white prints with a quality look and feel. Ultra White is produced from Elemental Chlorine Free (ECF) pulp and ideal for single and double-sided printing. Carbon Neutral, FSC certification and a non-plastic recyclable ream wrapper assures the highest level of sustainability.

- Winc Satisfaction Guarantee
- 167 CIE Whiteness
- Carbon Neutral certified
- Recyclable, biodegradable and home compostable wrapper.
- Suitable for laser and inkjet printing
- Certified FSC® Mix

This product has been certified FSC® Mix which means it has been manufactured with a combination of FSC®-certified virgin fibre (from FSC®-certified forests), controlled sources and/or reclaimed wood or fibre.

## Certification and Logos.

### FSC®

The Forest Stewardship Council® is an international non-governmental organisation that promotes environmentally responsible, socially beneficial, and economically viable management of the world's forests. Supported by a range of social and environmental bodies, FSC® is the world's most trusted sustainable forestry solution. Winc is proud to be an FSC® promotional license holder.

### ISO 14001

An independent audit that meets the environmental management systems standard set by the International Organization for Standardization (ISO).

### Carbon Neutral

Products that display the Carbon Neutral Product logo have undertaken an analysis of all climate impacts that occur from the creation of the product. All greenhouse gas emissions from the extraction of the product's raw materials to the delivery of the product to the point of sale have been measured and offset with verified and real carbon offsets.

## Product Details.

<b>GSM</b>	80
<b>CIE Whiteness</b>	167
