

# National Small Workplace

## Safe Work Australia Compliant First Aid Kit

The Safe Work Australia Code of Practice, First Aid in the Workplace, 2012, states that all workers must be able to access a first aid kit. This will require at least one first aid kit to be provided at their place of work. The first aid kits should provide basic equipment for administering first aid for injuries.

This first aid kit is compliant with the basic list of contents suitable for Standard workplaces.

**Product Code: 18983827**
