Certification and Logos.

PEFC™ Recycled

PEFC™, the Programme for the Endorsement of Forest Certification, is a leading global alliance of national forest certification systems. PEFC™ is dedicated to promoting sustainable forest management through independent third-party certification. Winc is proud to be a PEFC™ promotional license holder.

PEFC™ Recycled means at least 70% PEFC™ certified material from recycled sources and wood from controlled sources.

ISO 14001

An independent audit that meets the environmental management systems standard set by the International Organization for Standardization (ISO).

Carbon Neutral

Products that display the Carbon Neutral Product logo have undertaken an analysis of all climate change impacts that occur from the creation of the product. All greenhouse gas emissions caused by the lifecycle of this product, from the extraction of raw materials right through to disposal, have been measured and fully offset by genuine and additional carbon credits.
