

Winc[®] Premium Carbon Neutral Copy Paper.

Winc Premium is a versatile, multi-use, economical copy paper that provides consistent print quality and runnability for busy workplaces. Winc Premium is produced from Elemental Chlorine Free (ECF) pulp and is Acid Free with archival properties of 200+ years. Premium's thickness and opacity makes it suitable for both single and double-sided printing and minimises show through. Produced from Elemental Chlorine Free (ECF) pulp, along with Carbon Neutral and PEFC[™] certification assures a high level of sustainability.

- Winc Satisfaction Guarantee
- 160 CIE Whiteness
- PEFC[™] Certified
- Carbon Neutral certified
- Suitable for laser and inkjet printing

Certification and Logos.

PEFC[™]

PEFC[™], the Programme for the Endorsement of Forest Certification, is a leading global alliance of national forest certification systems. PEFC[™] is dedicated to promoting sustainable forest management through independent third-party certification. Winc is proud to be a PEFC[™] promotional license holder.

ISO 14001

An independent audit that meets the environmental management systems standard set by the International Organization for Standardization (ISO).

Carbon Neutral

Products that display the Carbon Neutral Product logo have undertaken an analysis of all climate change impacts that occur from the creation of the product. All greenhouse gas emissions caused by the lifecycle of this product, from the extraction of raw materials right through to disposal, have been measured and fully offset by genuine and additional carbon credits.
